Opening the Doors of Affordability

Purpose and Eligibility

Tax Credit Scholarships for Low-Middle Income Families

The Children's Tuition Fund (CTF) provides scholarships for economically qualified children to attend non-profit schools in Pennsylvania. CTF is primarily funded through three Pennsylvania Tax Credit Programs:

Educational Improvement Tax Credit (EITC)

Pre-Kindergarten Tax Credit (PKTC)

Opportunity Scholarship Tax Credit (OSTC)

Since 2001, ACSI CTF has been approved by the Commonwealth of Pennsylvania as an EITC Scholarship Organization to provide scholarships for students from preschool through the 12th grade.

The CTF of PA Program

Supports over 1,000 students

Contributions have averaged \$2 million

Contributes to a school choice advocacy group

Compliance as Qualified Scholarship Organization

Assistance with Details and Application

The CTF staff members are available to answer questions regarding the EITC/OSTC programs. They are also available for one-on-one support, and if desired, to personally assist in the application process. Businesses are provided regular program updates and reminders for the filing of applications.
