

You can use your Missouri state income tax liability to provide scholarships for students to attend a Christian school.

Who am I helping?

- Students with an IEP
- Students entering kindergarten or 1st grade, or who spent a semester of the last school year in public school
- Students at no more than 300% of the federal free/reduced income guidelines
- A sibling of a qualified student who received a scholarship grant in the previous school year and will receive a scholarship grant in the current school year

For a list of MOScholars qualified schools and household income limits visit childrenstuitionfund.org or scan the QR code.

Children's Tuition Fund is a certified EAO with the state of MO and facilitates the MOScholars program. CTF exists to provide families access to a Christian school where students can flourish and get the education parents desire for their kids.

How can I help?

Connect with CTF and use 50% of your state income tax liability to get a 100% tax-credit. E.g., if your state income tax liability is \$5,000 you can send \$2,500 to CTF and get a \$2,500 tax-credit.

This project is in partnership with the Missouri State Treasurer's Office MOScholars program.
